

REDUCE, REUSE, REPURPOSE AND RECYCLE

Free Cycle Event: Wednesday, November 18

7:00 am – 7:00 pm

Rain or Shine

How it works:

Gather items from around your house; stuff that's too good to throw out but you don't want to look at anymore!

Items are to be placed out on your property for the day.

Shoppers may pick up a list of participating addresses and the available treasures in the lobby of 15 Park Avenue or on the Borough Website www.maywoodnj.com.

Unclaimed treasures can be saved for the next scheduled Free Cycle Event. These events are being scheduled for the fourth Wednesday of each month. Registration will be required each time.

Material Re-Use is a money saver for Maywood. Trash collection costs money, lowering the weight of the trash will lower our cost.

Name (Borough Use Only) _____

E-Mail (Borough Use Only) _____
