

**Council Liaison Assignments** - Council members will be assigned to municipal and citizen standing committees that meet regularly and require a formal connection to the council. Committees will have an alternate liaison so that a council member will always be present. When a council member cannot attend, they will check in with the chairperson of the standing committee in order to report back to the council about the committee's activities.

Sec. 4. For the 2025 year the following committees and assignments shall be:

**Council Committee (\*Chairperson/Point of Contact)**
