

COUNCIL MEETING MINUTES

June 25, 2019

Borough Clerk Barbara Dispoto called the June 25, 2019 Council Meeting of the Mayor and Council to order at 7:30pm.

INVOCATION by Pastor Sungyoon Han from Serving God Fellowship Church

SALUTE TO THE FLAG

STATEMENT OF COMPLIANCE WITH THE OPEN PUBLIC MEETINGS ACT

Whereas on January 3, 2019, adequate notice of this meeting pursuant to the Open Public Meetings Act has been furnished by inclusion thereof in the Annual Schedule of Meetings for 2019 which has been posted on the bulletin board at Borough Hall, filed with the Borough Clerk, faxed to the Our Town, The Record, and The Community News newspapers and distributed to all persons, if any, requesting copies of same pursuant to said Act.”

In case of an emergency or fire alarm you must evacuate the building by using any of the exit doors in the room. They are immediately to my right and the double doors at the rear of the room. Occupants must exit the building by using the staircase and not the elevator.

This meeting is being recorded by both video and audio and may be rebroadcast.

ROLL CALL

Members of the Governing Body present: Mayor Febre, Council members Bennin, Ullman, Gervino, and Garofalow. Also present were Borough Attorney Brian E. Eyerman, Borough Administrator Roberta Stern and Borough Clerk Barbara Dispoto. Council Member Bolan and Lindenau were absent.

WORK SESSION ITEMS

1. Draft – AN ORDINANCE TO AMEND CHAPTER 201 OF THE MAYWOOD CODE ENTITLED WHICH GOVERNS THE SPECIAL IMPROVEMENT DISTRICT OF THE BOROUGH SO AS TO PROVIDE THE REGULATIONS FOR EMPTY STORE FRONTS
2. Draft - AN ORDINANCE TO AMEND CHAPTER 312 SUBCHAPTER 5 OF THE BOROUGH OF MAYWOOD CODE GOVERNING THE PARKING OF VEHICLES IN THE BOROUGH OF MAYWOOD, STATE OF NEW JERSEY
3. Draft - AN ORDINANCE AMENDING THE BOROUGH OF MAYWOOD MUNICIPAL CODE SO AS TO REVISE CODE SECTION 312-13

Discussion ensued as to the introduction of the draft ordinances. Borough Administrator suggested holding off on the introduction of the draft ordinances. She stated there is a scheduled SID meeting the following day and the store front ordinance can be discussed by the committee. Council President Garofalow stated he understood holding off on the store front ordinance with the upcoming SID meeting, but feels the other two drafts can be introduced tonight. With no objections from the remaining Council members the ordinance regarding Chapter 312 subsection 5 and Chapter 312 subsection 13 will be introduced later in the meeting. The Special Improvement District ordinance will be held over to the next meeting.

PROCLAMATIONS, PRESENTATIONS, ETC.

NONE

MEETING OPEN TO THE PUBLIC (FIVE MINUTE TIME FRAME)

Mayor Febre opened the meeting to the public for any comments on or off the agenda.

- John Brown from 41 Stelling Avenue suggested the vacant window design should have peep holes so you could see in 1.) For the police and/or 2.) Possible buyers/renters.

- Joe Terrilla from 150 E Passaic Street states the street Maple Hill Drive off The Esplanade is spelled wrong. Mayor Febre stated that is a Hackensack street and should be addressed with the City of Hackensack. The Mayor explained half of the roadway is in Maywood and the other half is in Hackensack.

PUBLIC HEARING ON PENDING ORDINANCES - ADOPTION OF ORDINANCES

NONE

APPROVAL OF MINUTES

Council Member Ullman moved for approval of the May 28, 2019 Council Meeting and Closed Session and the June 11, 2019 Work Session and Closed Session minutes; seconded by Council President Garofalow. Council Member Bennin abstained from the May 28, 2019 minutes. Motion carried by the members present.

PRESENTATION OF BILLS AND CLAIMS AND REQUEST FOR PUBLIC COMMENT

The Clerk presented the bill resolution.

Council President Garofalow moved for approval, seconded by Council member Bennin motion carried by the members present.

CORRESPONDENCE AND REPORT OF THE BOROUGH CLERK

Borough Clerk Dispoto stated in 2018 we licensed 485 dogs and as of today we have only licensed 390 dogs for 2019. She urged residents to check the tags and make all pets have a 2019 license. If you haven't done so you could be issued a summons. Mrs. Dispoto stated that Bergen County Mosquito Control will come and spray your yard for free. Call 201-634-2880 to make an appointment. The County will have a satellite office here in Maywood's Borough Hall on October 29th through October 31, 2019 from the hours of 10:00AM to 2:00PM. For questions, please call 201-336-7006. The last showing of School House Rock was the weekend of June 28th. This was done as a tribute to Maywood's 125th Anniversary. Mrs. Dispoto stated the July 9, 2019 Work Session has been cancelled due to a Special School Board Public Hearing.

REPORT OF ADMINISTRATOR

Administrator Stern stated she requested mosquito spraying earlier in the day for the fireworks. She discussed having 7 bands in attendance for the parade. She discussed the removal of dead trees and the planting of 15 new trees to follow. She further discussed 5 year plan to replace aging trees within the Borough. Administrator Stern discussed herself and Mr. Neumann visiting a location in which a letter was received regarding flooding. They did not witness more water than what has been seen in other parts of the Borough due to the increased rainfall.

COMMITTEE REPORTS

Council Member Bennin stated progress.

Council Member Bolan was absent.

Council Member Ullman:

- Green Team November Green Fair, were please we have groups confirmed but there still is time to register with myself, Tara or the borough website.
- The garden beds have budding flowers but no vegetables yet.
- The Board of Education will be meetings on July 9th and July 16th in the large gym explaining the feasibility study. We encourage everyone to come to one of the meetings.

Council Member Gervino stated progress.

Council Member Lindenau was absent.

Council President Garofalow:

- This month's TAANAC meeting will be held on July 24th, 2019 and he will not be attending. If anyone is interested in going it is a Barbeque at 6:00pm. I will be starting a new job which is why I'm missing the meeting.

REPORT OF THE MAYOR

- Mayor Febre notified us of the passing of a former councilman Frank Meglia who passed 2 weeks ago at 56 years old, leaving 3 kids and a wife. During his term he became ill and was unable to complete his term due to his health issues. He will be missed. The flag was at half-mast for the entire week out of respect for him.
- Mayor Febre thanked the Borough Attorney, Brian Eyerman for donating the Pride Flag to Maywood. Former Mayor and Assembly Man Tim Eustace rose the Pride Flag to full staff along with Mayor Febre and Gary Neumann. The flag was welcomed in our community and that's what makes it so special.

RESIGNATIONS - ACCEPTANCE OF THE FOLLOWING

- Michele Gervino as a member of the Board of Health and the Green Team of the Borough of Maywood effective June 14, 2019.
- George Reggo as the Tax Assessor of the Borough of Maywood effective June 30, 2019.

Council Member Ullman moved the resignation be accepted; seconded by Council President Garofalow, motion carried by the members present.

APPOINTMENTS - APPROVAL OF THE FOLLOWING

- Jennifer Stinziano as a member of the Library Board effective June 25, 2019 for the unexpired term ending 12/31/2022.

Council President Garofalow moved the appointments, seconded by Council Member Gervino. Motion carried by the members present.

COUNCIL APPROVAL OF THE FOLLOWING

NONE

RESOLUTIONS BY TITLE - CONSIDERATION OF THE FOLLOWING

RESOLUTION # 125-19

RESOLUTION AUTHORIZING THE PLANNING BOARD TO CONDUCT A STUDY TO DETERMINE IF CERTAIN PROPERTIES ARE ELIGIBLE TO BE DESIGNATED AS A NON-CONDEMNATION AREA IN NEED OF REDEVELOPMENT IN THE BOROUGH OF MAYWOOD

WHEREAS, in July of 2015 the Borough of Maywood authorized the filing of an action entitled In The Matter of the Application of Borough of Maywood, County of Bergen, Docket No. BER-L-6216-15 to secure interim immunity from any type of builders remedy lawsuits pending the development of the Housing Element and Fair Share Plan consistent with the Mount Laurel cases issued by the State Supreme Court, and

WHEREAS, in the course of subsequent negotiations leading up to the preparation of a Settlement Agreement, the Borough has acted in good faith in negotiations with both Fair Share Housing Center and the court appointed Special Master; and

WHEREAS, a Settlement Agreement setting out the terms and conditions of the compliance to be memorialized, and to serve as a framework for the Housing Element and Fair Share Plan, has been agreed to with Fair Share Housing Center, as set forth in the terms and conditions of a Settlement Agreement, dated September 28, 2018; and

WHEREAS, as part of a subsequent Addendum to the Settlement Agreement, it was agreed to between the Borough, the Special Master, Counsel for Fair Share Housing Center, and the owners of certain properties that had been set forth in the Settlement Agreement, namely Herman R. Hofmann and Janet Sernatinger, who are the owners of the properties identified as Block 126, Lot 45; Block 127, Lot 1, Lot 2, Lot 3 and owners Herman R. and Elsie Hoffman Block 131, Lot 16; Malt Products Corp, owners of Block 126, Lot 44; Borough of Maywood, owners of Block 126, Lot 43; owners Peter and Elva Scanel of Block 127, Lots 4, 5, and 6; and Borough of Maywood Block 131, Lot 17, that these properties would remain in the Settlement Agreement; and

WHEREAS, the Addendum to the Settlement Agreement establishes that as part of this process a study shall be conducted by the Planning Board to determine whether the aforesaid properties could be considered as a non-condemnation area in need of redevelopment, which includes the Hofmann properties as well as the other parcels recited herein; and

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Maywood, County of Bergen, State of New Jersey that the Planning Board is hereby authorized, on behalf of the Borough, to conduct a study to determine whether any or all of the aforesaid properties qualify under the Local Housing Redevelopment Law as a non-condemnation area in need of redevelopment, and to conduct a public hearing upon presentation of such study to the Planning Board upon notice to the affected property owners; and

BE IT FURTHER RESOLVED, that a copy of this Resolution shall be forwarded to the Planning Board, and shall also be on record with the Borough Clerk and available for public inspection during normal business hours.

RESOLUTION #126-19
RESOLUTION TO APPOINT SUMMER CLUB/THEATER EMPLOYEES

WHEREAS, due to the increasing attendance, the Borough of Maywood is in need of appointing additional employees for the Summer Club /Theater Program for 2019; and

WHEREAS, there is also the need to adjust the hourly wage for two employees that were previously appointed; and

WHEREAS, the following names have been submitted for consideration for said appointments and adjustments to hourly wage for said programs;

NOW THEREFORE BE IT RESOLVED, that the Mayor and Council of the Borough of Maywood, County of Bergen, State of New Jersey hereby approve the following:

<u>Name</u>	<u>Club</u>	<u>Position</u>	<u>Compensation</u>
<u>Appointments:</u>			
Daniel Conte	Summer Club	Assistant Director	\$11.00 hourly
Eliza DiTomasso	Summer Club	Senior Counselor	\$ 9.75 hourly

RESOLUTION # 127-19
RENEWAL OF 2019/2020 LIQUOR LICENSES

WHEREAS, the Licensees as noted below have filed application for renewal of their liquor licenses at premises as noted; and

WHEREAS, all applications are in proper order, the license fee has been paid and a Tax Clearance Certificate has been issued by the State of New Jersey, Division of Taxation;

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of Maywood, County of Bergen, New Jersey that the Borough Clerk is hereby authorized to issue renewal licenses as follows effective July 1, 2019:

PLENARY RETAIL DISTRIBUTION

0234-44-006-006	Amisha & Sheela, LLC t/a Maywood Wine & Liquor	117 East Passaic Street
0234-44-003-006	Maywood Marketplace, LLC	78 West Pleasant Avenue

PLENARY RETAIL CONSUMPTION

0234-33-004-008	RSCH OPERATIONS, LLC INACTIVE t/a Ruth Chris Steak House	1 Bergen Town Center
-----------------	--	----------------------

RESOLUTION # 128-19FINAL PAYMENT ON THE 2018 SPRING ROADWAY IMPROVEMENT PROJECT

BE IT RESOLVED by the Mayor and Council of the Borough of Maywood, Bergen County, New Jersey that the contract for the Year 2018 Spring Roadway Improvement Project was constructed by Frank Macchione Construction & Paving of 168 Midwood Road, Paramus, NJ 07652 in accordance with the Plans and Specifications, as directed by the Borough Engineer. The said construction is hereby accepted and final payment in the amount of Seventy Three Thousand Three Hundred Forty Eight Dollars and Ten Cents (\$73,348.10) is hereby approved.

This Resolution to take effect immediately.

RESOLUTION # 129-19CHANGE ORDER FOR THE 2018 SPRING ROADWAY IMPROVEMENT PROJECT

BE IT RESOLVED by the Mayor and Council of the Borough of Maywood, Bergen County, New Jersey upon the recommendation of the Borough Engineer that the Change Order for the Contract listed below be and is hereby approved.

TITLE OF JOB: 2018 ROAD IMPROVEMENTS PROGRAM PHASE II

CONTRACTOR: Frank A. Macchione Const. Inc., 168 Midwood Road, Paramus, NJ 07652

NJDOT CHANGE ORDER: 1

AMOUNT OF CHANGE THIS RESOLUTION: -\$208,071.97 (-33.72% Decrease)

AMOUNT OF CHANGE TO DATE: -\$208,071.97 (-33.72% Decrease)

This Resolution to take effect upon certification by the Borough Treasurer that sufficient funds are available.

RESOLUTION #130-19RESOLUTION FOR THE APPOINTMENT OF JENNIFER FINOTTI-SHEPPARD AS TAX ASSESSOR FOR THE BOROUGH OF MAYWOOD

WHEREAS, due to the upcoming retirement of Tax Assessor George Reggo, the Borough of Maywood is in need to hire a Tax Assessor; and

WHEREAS, it is the recommendation of Borough Administrator Roberta Stern to appoint Jennifer Finotti-Sheppard to the Tax Assessor position; and

WHEREAS, the Mayor and Council does hereby ratify the appointment of Jennifer Finotti-Sheppard to the position of Tax Assessor to the Borough of Maywood upon the terms and conditions hereinafter set forth;

NOW, THEREFORE, BE IT RESOLVED BY THE MAYOR AND COUNCIL OF THE BOROUGH OF MAYWOOD, Bergen County, New Jersey, as follows:

1. Effective July 1, 2019, Jennifer Finotti-Sheppard is hereby appointed as a part-time employee to the position of Tax Assessor with the Borough of Maywood at an annual salary of \$17,000.00.
2. Per N.J.S.A. 40A:148, Jennifer Finotti-Sheppard is hereby appointed for a 4 year term beginning July 1, 2019 and ending June 30, 2023.

RESOLUTION #131-19
RESOLUTION APPROVING RULES AND REGULATIONS FOR THE MAYWOOD POLICE DEPARTMENT

WHEREAS, the Borough of Maywood adopted Resolution #81-19 to contract with the Rodgers Group, LLC of Island Heights, New Jersey for the accreditation of the Borough of Maywood Police Department; and

WHEREAS, to meet accreditation standards, the Rodgers Group LLC has identified and Chief of Police Joseph Natale concurs, that the Borough of Maywood should adopt new rules and regulations to govern the Borough of Maywood Police Department. Said rules and regulations entitled "MAYWOOD POLICE DEPARTMENT – Rules and Regulations" shall supersede any current rules and regulations and shall be a public document available for inspection.

NOW, THEREFORE, BE IT RESOLVED, that the Mayor and Council does hereby adopt the "MAYWOOD POLICE DEPARTMENT – Rules and Regulations" as the governing rules and regulations of the Borough of Maywood Police Department; and

BE IT FURTHER RESOLVED, that a copy of the within resolution together with a copy of the Rules and Regulations as adopted by this resolution, identified by title and given an effective date of the same date as adoption of this resolution shall be on file in the Office of the Borough Clerk and be available for public inspection during regular business hours and pursuant to the laws of the State of New Jersey, County of Bergen and the Borough of Maywood.

RESOLUTION #132-19
RESOLUTION TO ADVERTISE FOR BIDS

BE IT RESOLVED by the Mayor and Council of the Borough of Maywood, Bergen County, New Jersey upon the recommendation of the Borough Engineer, Gregory J. Polyniak, Neglia Engineering Associates that the plans & specifications for:

2019 Roadway Improvements Program – Park Avenue, Romaine Avenue, Edgewood Place, Spring Valley Road, and Spring Valley Avenue

BOROUGH OF MAYWOOD
BERGEN COUNTY, NEW JERSEY

Are hereby approved and the Borough Clerk is hereby authorized to advertise for bids. This Resolution to take effect immediately.

Council Member Bennin moved for the adoptions, seconded by Council President Garofalow. Motion carried by the members present.

INTRODUCTION OF ORDINANCES

ORDINANCE #12-19AN ORDINANCE AMENDING CHAPTER 56-6 ENTITLED "APPOINTMENT AND PROMOTION OF PERSONNEL" OF THE BOROUGH OF MAYWOOD CODE IN THE BOROUGH OF MAYWOOD, STATE OF NEW JERSEY

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF MAYWOOD, IN THE COUNTY OF BERGEN AND STATE OF NEW JERSEY, AS FOLLOWS:

WHEREAS, Chapter 56 of the Borough of Maywood Code governs the composition and management of the Borough of Maywood Police Department; and

WHEREAS, Chapter 52-6 entitled "*Appointment and promotion of personnel*" provides for the appointment and promotions of officers within the Department; and

WHEREAS, upon the recommendation of the Chief of Police, the Mayor and Council of the Borough of Maywood wish to amend chapter 56-6 of the Borough of Maywood Code to add subsection F. This subsection shall allow Police Officers who are candidates for promotion the opportunity to review their own documents utilized in the evaluation process. Such review shall take place after the promotion process has concluded.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Maywood, Bergen County, New Jersey, as follows:

Section 1. Chapter 56-6 of the Borough of Maywood Code is amended to add subsection F which shall read as:

- F. At the conclusion of a promotional process, the Borough Chief of Police shall provide the individuals considered for the promotion the results of the process. Each candidate shall have the opportunity to review any documents used to evaluate their suitability for promotion. Said documents are available for inspection and only relate to each individual candidate. Candidates are not entitled to review any documents of other candidates.

Section 2. Severability.

If any section, subsection, paragraph, sentence, clause or phrase of this Ordinance shall be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Ordinance which shall continue in full force and effect, and to this end the provisions of this Ordinance are hereby declared to be severable.

Section 3. This ordinance shall be effective upon passage.

ORDINANCE # 13-19AN ORDINANCE TO AMEND CHAPTER 184 GOVERNING FLOOD DAMAGE PREVENTION

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF MAYWOOD, IN THE COUNTY OF BERGEN AND STATE OF NEW JERSEY, AS FOLLOWS:

WHEREAS, The Legislature of the State of New Jersey has in N.J.S.A. 40:48-1, et seq., delegated the responsibility to local governmental units to adopt regulations designed to promote public health, safety, and general welfare of its citizenry.

WHEREAS, the Borough of Maywood adopted Chapter 184 to protect its citizenry from the damage and threat caused by flooding; and

WHEREAS, at the recommendation of the Federal Emergency Management agency and upon review of the Borough Engineer, the Mayor and Council of the Borough of Maywood wish to revise Chapter 184 of the Borough Code and update the ordinance to govern flood damage prevention regulations.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Maywood, Bergen County, New Jersey, as follows:

Section 1. Chapter 184 of the Borough Code entitled "Flood Damage Prevention" which governs regulation for flood damage prevention within the Borough shall be amended to strike the current subchapters and to add subchapter §184-1 through §184-4. Accordingly Chapter 184 shall read as:

Title: CHAPTER 184 FLOOD DAMAGE PREVENTION

§184-1 DEFINITIONS.

Unless specifically defined below, words or phrases used in this ordinance shall be interpreted so as to give them the meaning they have in common usage and to give this ordinance it's most reasonable application.

AH Zone- Areas subject to inundation by 1-percent-annual-chance shallow flooding (usually areas of ponding) where average depths are between one and three feet. Base Flood Elevations (BFEs) derived from detailed hydraulic analyses are shown in this zone

AO Zone- Areas subject to inundation by 1-percent-annual-chance shallow flooding (usually sheet flow on sloping terrain) where average depths are between one and three feet.

Appeal - A request for a review of the (local administrator)'s interpretation of any provision of this ordinance or a request for a variance.

Area of Shallow Flooding — A designated AO or AH zone on a community's Digital Flood Insurance Rate Map (DFIRM) with a one percent annual or greater chance of flooding to an average depth of one to three feet where a clearly defined channel does not exist, where the path of flooding is unpredictable and where velocity flow may be evident. Such flooding is characterized by ponding or sheet flow.

Area of Special Flood Hazard — Land in the floodplain within a community subject to a one percent or greater chance of flooding in any given year. It is shown on the FIRM as Zone V, VE, V1-30, A, AO, A1-A30, AE, A99, or AH.

Base Flood — A flood having a one percent chance of being equaled or exceeded in any given year.

Base Flood Elevation (BFE) — The flood elevation shown on a published Flood Insurance Study (FIS) including the Flood Insurance Rate Map (FIRM). For zones AE, AH, AO, and A1-30 the elevation represents the water surface elevation resulting from a flood that has a 1-percent or greater chance of being equaled or exceeded in any given year.

Basement — Any area of the building having its floor subgrade (below ground level) on all sides.

Breakaway Wall — A wall that is not part of the structural support of the building and is intended through its design and construction to collapse under specific lateral loading forces without causing damage to the elevated portion of the building or supporting foundation system.

Development — Any man-made change to improved or unimproved real estate, including but not limited to buildings or other structures, mining, dredging, filling, grading, paving, excavation or drilling operations, or storage of equipment or materials located within the area of special flood hazard.

Digital Flood Insurance Rate Map (DFIRM) — The official map on which the Federal Insurance Administration has delineated both the areas of special flood hazards and the risk premium zones applicable to the community.

Elevated Building — A non-basement building (i) built, in the case of a building in an Area of Special Flood Hazard, to have the top of the elevated floor, elevated above the base flood elevation plus freeboard by means of piling, columns (posts and piers), or shear walls parallel to the flow of the water, and (ii) adequately anchored so as not to impair the structural integrity of the building during a flood up to the magnitude of the base flood. In an Area of Special Flood Hazard "elevated building" also includes a building elevated by means of fill or solid foundation perimeter walls with openings sufficient to facilitate the unimpeded movement of flood waters.

Erosion — The process of gradual wearing away of land masses.

Existing Manufactured Home Park or Subdivision — A manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including, at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed before the effective date of the floodplain management regulations adopted by a community.

Flood or Flooding — A general and temporary condition of partial or complete inundation of normally dry land areas from:

- A. The overflow of inland or tidal waters and/or
- B. The unusual and rapid accumulation or runoff of surface waters from any source.

Flood Insurance Rate Map (FIRM) — The official map on which the Federal Insurance Administration has delineated both the areas of special flood hazards and the risk premium zones applicable to the community.

Flood Insurance Study (FIS) — The official report in which the Federal Insurance Administration has provided flood profiles, as well as the Flood Insurance Rate Map(s) and the water surface elevation of the base flood.

Floodplain Management Regulations — Zoning ordinances, subdivision regulations, building codes, health regulations, special purpose ordinances (such as a floodplain ordinance, grading ordinance and erosion control ordinance) and other applications of police power. The term describes such State or local regulations, in any combination thereof, which provide standards for the purpose of flood damage prevention and reduction.

Floodproofing — Any combination of structural and nonstructural additions, changes, or adjustments to structures which reduce or eliminate flood damage to real estate or improved real property, water and sanitary facilities, structures and their contents.

Freeboard — A factor of safety usually expressed in feet above a flood level for purposes of flood plain management. "Freeboard" tends to compensate for the many unknown factors that could contribute to flood heights greater than the height calculated for a selected size flood and floodway conditions, such as wave action, bridge openings, and the hydrological effect of urbanization of the watershed.

Highest Adjacent Grade — The highest natural elevation of the ground surface prior to construction next to the proposed or existing walls of a structure.

Historic Structure — Any structure that is:

- A. Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;
- B. Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;
- C. Individually listed on a State inventory of historic places in States with historic preservation programs which have been approved by the Secretary of the Interior; or

- D. Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either:
- i. By an approved State program as determined by the Secretary of the Interior; or
 - ii. Directly by the Secretary of the Interior in States without approved programs.

Lowest Floor — The lowest floor of the lowest enclosed area (including basement). An unfinished or flood resistant enclosure, usable solely for the parking of vehicles, building access or storage in an area other than a basement is not considered a building's lowest floor provided that such enclosure is not built so to render the structure in violation of other applicable non-elevation design requirements of 44 CFR Section 60.3.

Manufactured Home — A structure, transportable in one or more sections, which is built on a permanent chassis and is designed for use with or without a permanent foundation when attached to the required utilities. The term "manufactured home" does not include a "recreational vehicle".

Manufactured Home Park or Manufactured Home Subdivision — A parcel (or contiguous parcels) of land divided into two (2) or more manufactured home lots for rent or sale.

New Construction — Structures for which the start of construction commenced on or after the effective date of a floodplain regulation adopted by a community and includes any subsequent improvements to such structures.

New Manufactured Home Park or Subdivision — A manufactured home park or subdivision for which the construction of facilities for servicing the lots on which the manufactured homes are to be affixed (including at a minimum, the installation of utilities, the construction of streets, and either final site grading or the pouring of concrete pads) is completed on or after the effective date of the floodplain management regulations adopted by the municipality.

Recreational Vehicle — A vehicle which is

- A. built on a single chassis;
- B. 400 square feet or less when measured at the longest horizontal projections;
- C. designed to be self-propelled or permanently towable by a light duty truck; AND
- D. designed primarily not for use as a permanent dwelling but as temporary living quarters for recreational, camping, travel, or seasonal use.

Start of Construction — (For other than new construction or substantial improvements under the Coastal Barrier Resources Act (P.L. No. 97-348)) includes substantial improvements and means the date the building permit was issued, provided the actual start of construction, repair, reconstruction, rehabilitation, addition, placement, or other improvement was within 180 days of the permit date. The actual start means either the first placement of permanent construction of a structure on a site such as the pouring of a slab or footings, the installation of pilings, the construction of columns, or any work beyond the stage of excavation, or the placement of a manufactured home on a foundation. Permanent construction does not include land preparation, such as clearing, grading and filling nor does it include the installation of streets and/or walkways, nor does it include excavation for a basement, footings or piers, or foundations or the erection of temporary forms, nor does it include the installation on the property of accessory buildings, such as garages or sheds not occupied as dwelling units or not part of the main structure. For a substantial improvement, the actual start of construction means the first alteration of any wall, ceiling, floor, or other structural part of a building, whether or not that alteration affects the external dimensions of the building.

Structure — A walled and roofed building, a manufactured home, or a gas or liquid storage tank that is principally above ground.

Substantial Damage — Damage of any origin sustained by a structure whereby the cost of restoring the structure to its condition before damage would equal or exceed fifty (50) percent of the market value of the structure before the damage occurred.

Substantial Improvement — Any reconstruction, rehabilitation, addition, or other improvement of a structure, the cost of which equals or exceeds fifty (50) percent of the market value of the structure before the "start of construction" of the improvement. This term includes structures which have incurred "substantial damage", regardless of the actual repair work performed. The term does not, however, include either:

- A. Any project for improvement of a structure to correct existing violations of State or local health, sanitary or safety code specifications which have been identified by the local code enforcement officer and which are the minimum necessary to assure safe living conditions; or
- B. Any alteration of a "historic structure", provided that the alteration will not preclude the structure's continued designation as a "historic structure".

Variance — A grant of relief from the requirements of this ordinance that permits construction in a manner that would otherwise be prohibited by this ordinance.

Violation — The failure of a structure or other development to be fully compliant with this ordinance. A new or substantially improved structure or other development without the elevation certificate, other certifications, or other evidence of compliance required in 44 CFR §60.3(b)(5), (c)(4), (c)(10), (e)(2), (e)(4), or (e)(5) is presumed to be in violation until such time as that documentation is provided.

§184-2 GENERAL PROVISIONS.

- A. **LANDS TO WHICH THIS ORDINANCE APPLIES** - This ordinance shall apply to all areas of special flood hazards within the jurisdiction of the Borough of Maywood, Bergen County, New Jersey.
- B. **BASIS FOR ESTABLISHING THE AREAS OF SPECIAL FLOOD HAZARD** - The areas of special flood hazard for the Borough of Maywood Community No. 340050 are identified and defined on the following documents prepared by the Federal Emergency Management Agency:
 - 1. A scientific and engineering report "Flood Insurance Study, Bergen County, New Jersey" dated August 28, 2019
 - 2. Flood Insurance Rate Map for Bergen County, New Jersey (All Jurisdictions) as shown on Index and Maps whose panels are 24003C0187H, 34003C0189H, 34003C0191H and 34003C0193H whose effective date is August 28, 2019.

Note: The above documents are hereby adopted and declared to be a part of this ordinance. The Flood Insurance Study and maps are on file at 15 Park Avenue, Maywood, New Jersey.
- C. **PENALTIES FOR NONCOMPLIANCE** - No structure or land shall hereafter be constructed, re-located to, extended, converted, or altered without full compliance with the terms of this ordinance and other applicable regulations. Violation of the provisions of this ordinance by failure to comply with any of its requirements (including violations of conditions and safeguards established in connection with conditions) shall constitute a misdemeanor. Any person who violates this ordinance or fails to comply with any of its requirements shall upon conviction thereof be fined not more than \$1000.00 or imprisoned for not more than 20 days, or both, for each violation, and in addition shall pay all costs and expenses involved in the case. Nothing herein contained shall prevent the Borough of Maywood from taking such other lawful action as is necessary to prevent or remedy any violation.
- D. **ABROGATION AND GREATER RESTRICTIONS** - This ordinance is not intended to repeal, abrogate, or impair any existing easements, covenants, or deed restrictions. However, where this ordinance and other ordinance, easement, covenant, or deed restriction conflict or overlap, whichever imposes the more stringent restrictions shall prevail.
- E. **INTERPRETATION**- In the interpretation and application of this ordinance, all provisions shall be:
 - i. Considered as minimum requirements;
 - ii. Liberally construed in favor of the governing body; and,
 - iii. Deemed neither to limit nor repeal any other powers granted under State statutes.

WARNING AND DISCLAIMER OF LIABILITY- The degree of flood protection required by this ordinance is considered reasonable for regulatory purposes and is based on scientific and engineering considerations. Larger floods can and will occur on rare occasions. Flood heights may be increased by man-made or natural causes. This ordinance does not imply that land outside the area of special flood hazards or uses permitted within such areas will be free from flooding or flood damages.

This ordinance shall not create liability on the part of the Borough of Maywood any officer or employee thereof or the Federal Insurance Administration, for any flood damages that result from reliance on this ordinance or any administrative decision lawfully made thereunder.

§184-3 ADMINISTRATION.

A. ESTABLISHMENT OF DEVELOPMENT PERMIT

A Development Permit shall be obtained before construction or development begins, including placement of manufactured homes, within any area of special flood hazard established in section §184-2 (B). Application for a Development Permit shall be made on forms furnished by the Construction Code Official; and may include, but not be limited to; plans in duplicate drawn to scale showing the nature, location, dimensions, and elevations of the area in question; existing or proposed structures, fill, storage of materials, drainage facilities; and the location of the foregoing. Specifically, the following information is required:

1. Elevation in relation to mean sea level, of the lowest floor (including basement) of all structures;
2. Elevation in relation to mean sea level to which any structure has been flood proofed.
3. Certification by a registered professional engineer or architect that the flood proofing methods for any nonresidential structure meet the flood proofing criteria in chapter; and,
4. Description of the extent to which any watercourse will be altered or relocated as a result of proposed development.

B. DESIGNATION OF THE LOCAL ADMINISTRATOR

The Building Code Official is hereby appointed to administer and implement this ordinance by granting or denying development permit applications in accordance with its provisions.

C. DUTIES AND RESPONSIBILITIES OF THE ADMINISTRATOR

Duties of the Building Code Official shall include, but not be limited to:

1. PERMIT REVIEW

- a. Review all development permits to determine that the permit requirements of this ordinance have been satisfied.
- b. Review all development permits to determine that all necessary permits have been obtained from those Federal, State or local governmental agencies from which prior approval is required.

2. USE OF OTHER BASE FLOOD DATA

When base flood elevation data has not been provided in accordance with this chapter, BASIS FOR ESTABLISHING THE AREAS OF SPECIAL FLOOD HAZARD, the Building Code Official shall obtain, review, and reasonably utilize any base flood elevation and floodway data available from a Federal, State or other source, in order to administer this Chapter's rules for SPECIFIC STANDARDS, RESIDENTIAL CONSTRUCTION, and SPECIFIC STANDARDS, NONRESIDENTIAL CONSTRUCTION.

3. INFORMATION TO BE OBTAINED AND MAINTAINED

- a. Obtain and record the actual elevation (in relation to mean sea level) of the lowest floor (including basement) of all new or substantially improved structures, and whether or not the structure contains a basement.
- b. For all new or substantially improved floodproofed structures:
 - i. Verify and record the actual elevation (in relation to mean sea level); and
 - ii. Maintain the floodproofing certifications required in section §184-3 (A)(3).
- c. Maintain for public inspection all records pertaining to the provisions of this ordinance.

D. ALTERATION OF WATERCOURSES

1. Notify adjacent communities and the New Jersey Department of Environmental Protection, Bureau of Flood Control and the Land Use Regulation Program prior to any alteration or relocation of a watercourse, and submit evidence of such notification to the Federal Insurance Administration.
2. Require that maintenance is provided within the altered or relocated portion of said watercourse so the flood carrying capacity is not diminished.

E. SUBSTANTIAL DAMAGE REVIEW

1. After an event resulting in building damages, assess the damage to structures due to flood and non-flood causes.
2. Record and maintain the flood and non-flood damage of substantial damage structures and provide a letter of Substantial Damage Determination to the owner and the New Jersey Department of Environmental Protection, Bureau of Flood Control.
3. Ensure substantial improvements meet the requirements of sections of this chapter governing
 - a. SPECIFIC STANDARDS, RESIDENTIAL CONSTRUCTION
 - b. SPECIFIC STANDARDS, NONRESIDENTIAL CONSTRUCTION
and
 - c. SPECIFIC STANDARDS, MANUFACTURED HOMES.

F. INTERPRETATION OF FIRM BOUNDARIES

Make interpretations where needed, as to the exact location of the boundaries of the areas of special flood hazards (for example, where there appears to be a conflict between a mapped boundary and actual field conditions). The person contesting the location of the boundary shall be given a reasonable opportunity to appeal the interpretation as provided in section §184-3 (G).

G. VARIANCE PROCEDURE

1. APPEAL BOARD

- a. The Planning Board as established by Borough shall hear and decide appeals and requests for variances from the requirements of this ordinance.
- b. The Board shall hear and decide appeals when it is alleged there is an error in any requirement, decision, or determination made by the Building Code Official in the enforcement or administration of this ordinance.
- c. Those aggrieved by the decision of the Board, or any taxpayer, may appeal such decision to the Superior Court of New Jersey, as provided by State Law.
- d. In passing upon such applications, the Board shall consider all technical evaluations, all relevant factors, standards specified in other sections of this ordinance, and:
 - i. the danger that materials may be swept onto other lands to the injury of others;
 - ii. the danger to life and property due to flooding or erosion damage;
 - iii. the susceptibility of the proposed facility and its contents to flood damage and the effect of such damage on the individual owner;
 - iv. the importance of the services provided by the proposed facility to the community;
 - v. the necessity to the facility of a waterfront location, where applicable;
 - vi. the availability of alternative locations for the proposed use which are not subject to flooding or erosion damage;
 - vii. the compatibility of the proposed use with existing and anticipated development;
 - viii. the relationship of the proposed use to the comprehensive plan and floodplain management program of that area;
 - ix. the safety of access to the property in times of flood for ordinary and emergency vehicles;
 - x. the expected heights, velocity, duration, rate of rise, and sediment transport of the flood waters and the effects of wave action, if applicable, expected at the site; and,
 - xi. the costs of providing governmental services during and after flood conditions, including maintenance and repair of public utilities and facilities such as sewer, gas, electrical, and water systems, and streets and bridges.

- e. Upon consideration of the factors of section §184-3 (G) (1) (d) and the purposes of this ordinance, the Board may attach such conditions to the granting of variances as it deems necessary to further the purposes of this ordinance.
- f. The Building Code Official shall maintain the records of all appeal actions, including technical information, and report any variances to the Federal Insurance Administration upon request.

2. CONDITIONS FOR VARIANCES

- a. Generally, variances may be issued for new construction and substantial improvements to be erected on a lot of one-half acre or less in size contiguous to and surrounded by lots with existing structures constructed below the base flood level, providing items i.-xi. in section §184-3 (G) (1) (d) have been fully considered. As the lot size increases beyond the one-half acre, the technical justification required for issuing the variance increases.
- b. Variances may be issued for the repair or rehabilitation of historic structures upon a determination that the proposed repair or rehabilitation will not preclude the structure's continued designation as a historic structure and the variance is the minimum necessary to preserve the historic character and design of the structure.
- c. Variances shall only be issued upon a determination that the variance is the minimum necessary, considering the flood hazard, to afford relief.
- d. Variances shall only be issued upon
 - i. A showing of good and sufficient cause;
 - ii. A determination that failure to grant the variance would result in exceptional hardship to the applicant; and,
 - iii. A determination that the granting of a variance will not result in increased flood heights, additional threats to public safety, extraordinary public expense, create nuisances, cause fraud on or victimization of the public as identified in section §184-3 (G) (1) (d) or conflict with existing local laws or ordinances.
- e. Any applicant to whom a variance is granted shall be given written notice that the structure will be permitted to be built with a lowest floor elevation below the base flood elevation and that the cost of flood insurance will be commensurate with the increased risk resulting from the reduced lowest floor elevation.

§184-4 PROVISIONS FOR FLOOD HAZARD REDUCTION

A. GENERAL STANDARDS

In all areas of special flood hazards, compliance with the applicable requirements of the Uniform Construction Code (N.J.A.C. 5:23) and the following standards, whichever is more restrictive, is required:

1. ANCHORING

- a. All new construction and substantial improvements shall be anchored to prevent flotation, collapse, or lateral movement of the structure.
- b. All manufactured homes to be placed or substantially improved shall be anchored to resist flotation, collapse or lateral movement. Methods of anchoring may include, but are not to be limited to, use of over-the-top or frame ties to ground anchors. This requirement is in addition to applicable state and local anchoring requirements for resisting wind forces.

2. CONSTRUCTION MATERIALS AND METHODS

- a. All new construction and substantial improvements shall be constructed with materials and utility equipment resistant to flood damage.
- b. All new construction and substantial improvements shall be constructed using methods and practices that minimize flood damage.

3. UTILITIES

- a. All new and replacement water supply systems shall be designed to minimize or eliminate infiltration of flood waters into the system;
- b. New and replacement sanitary sewage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems and discharge from the systems into flood waters;

- c. On-site waste disposal systems shall be located to avoid impairment to them or contamination from them during flooding; and
- d. For all new construction and substantial improvements the electrical, heating, ventilation, plumbing and air-conditioning equipment and other service facilities shall be designed and/or located so as to prevent water from entering or accumulating within the components during conditions of flooding.

4. SUBDIVISION PROPOSALS

- a. All subdivision proposals and other proposed new development shall be consistent with the need to minimize flood damage;
- b. All subdivision proposals and other proposed new development shall have public utilities and facilities such as sewer, gas, electrical, and water systems located and constructed to minimize flood damage;
- c. All subdivision proposals and other proposed new development shall have adequate drainage provided to reduce exposure to flood damage; and,
- d. Base flood elevation data shall be provided for subdivision proposals and other proposed new development which contain at least fifty (50) lots or five (5) acres (whichever is less).

5. ENCLOSURE OPENINGS

- a. All new construction and substantial improvements having fully enclosed areas below the lowest floor that are usable solely for parking of vehicles, building access or storage in an area other than a basement and which are subject to flooding shall be designed to automatically equalize hydrostatic flood forces on exterior walls by allowing for the entry and exit of floodwaters. Designs for meeting this requirement must either be certified by a registered professional engineer or architect or must meet or exceed the following minimum criteria: A minimum of two (2) openings in at least two (2) exterior walls of each enclosed area having a total net area of not less than one (1) square inch for every square foot of enclosed area subject to flooding shall be provided. The bottom of all openings shall be no higher than one (1) foot above grade. Openings may be equipped with screens, louvers, or other covering or devices provided that they permit the automatic entry and exit of floodwaters.

B. SPECIFIC STANDARDS

In all areas of special flood hazards where base flood elevation data have been provided as set forth in section §184-2 (B), BASIS FOR ESTABLISHING THE AREAS OF SPECIAL FLOOD HAZARD or in section §184-3 (C) (2), USE OF OTHER BASE FLOOD DATA, the following standards are required:

1. RESIDENTIAL CONSTRUCTION

- a. New construction and substantial improvement of any residential structure located in an A or AE zone shall have the lowest floor, including basement together with the attendant utilities (including all electrical, heating, ventilating, air-conditioning and other service equipment) and sanitary facilities, elevated at or above the more restrictive base flood elevation plus one (1) foot or as required by ASCE/SEI 24-14, Table 2-1,
- b. Require within any AO or AH zone on the municipality's DFIRM that all new construction and substantial improvement of any residential structure shall have the lowest floor, including basement together with the attendant utilities and sanitary facilities, elevated above the depth number specified in feet plus one (1) foot, above the highest adjacent grade (at least three (3) feet if no depth number is specified). And, require adequate drainage paths around structures on slopes to guide floodwaters around and away from proposed structures.

2. NONRESIDENTIAL CONSTRUCTION

In an Area of Special Flood Hazard, all new construction and substantial improvement of any commercial, industrial or other nonresidential structure located in an A or AE zone shall have the lowest floor, including basement together with the attendant utilities and sanitary facilities as well as all electrical, heating, ventilating, air-conditioning and other service equipment

- a. Elevated at or above the more restrictive base flood elevation plus one (1) foot or as required by ASCE/SEI 24-14, Table 2-1
- b. Require within any AO or AH zone on the municipality's DFIRM to elevate above the depth number specified in feet plus one (1) foot, above the highest adjacent grade (at least three (3) feet if no depth number is specified). And, require adequate drainage paths around structures on slopes to guide floodwaters around and away from proposed structures;;
OR
- c. Be floodproofed so that below the more restrictive, base flood elevation plus one (1) foot or as required by ASCE/SEI 24-14, Table 6-1, the structure is watertight with walls substantially impermeable to the passage of water; AND Have structural components capable of resisting hydrostatic and hydrodynamic loads and effects of buoyancy; AND Be certified by a registered professional engineer or architect that the design and methods of construction are in accordance with accepted standards of practice for meeting the applicable provisions of this subsection. Such certification shall be provided to the official as set forth in section §184-3 (C) (3) (b) (ii).

3. MANUFACTURED HOMES

- a. Manufactured homes shall be anchored in accordance with section §184-4 (A) (1) (b).
- b. All manufactured homes to be placed or substantially improved within an area of special flood hazard shall:
 - i. Be consistent with the need to minimize flood damage,
 - ii. Be constructed to minimize flood damage,
 - iii. Have adequate drainage provided to reduce exposure to flood damage,
 - iv. Be elevated on a permanent foundation such that the top of the lowest floor is at or above the more restrictive base flood elevation plus one (1) foot or as required by ASCE/SEI 24-14, Table 2-1
AND
 - v. The manufactured home chassis is supported by reinforced piers or other foundation elements of at least equivalent strength that are no less than 36 inches in height above grade and be securely anchored to an adequately anchored foundation system to resist floatation, collapse, and lateral movement.

Section 2. Severability.

If any section, subsection, paragraph, sentence, clause or phrase of this Ordinance shall be declared invalid for any reason whatsoever, such decision shall not affect the remaining portions of this Ordinance which shall continue in full force and effect, and to this end the provisions of this Ordinance are hereby declared to be severable.

Section 3. This ordinance shall be effective upon passage.

ORDINANCE # 14-19

AN ORDINANCE TO AMEND CHAPTER 312 SUBCHAPTER 5 OF THE BOROUGH OF MAYWOOD CODE GOVERNING THE PARKING OF VEHICLES IN THE BOROUGH OF MAYWOOD, STATE OF NEW JERSEY

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF MAYWOOD, IN THE COUNTY OF BERGEN AND STATE OF NEW JERSEY, AS FOLLOWS:

WHEREAS, the Mayor and Council of the Borough of Maywood wishes amend Chapter 312-5 to prohibit parking on portions of Oak Avenue.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Maywood, County of Bergen, as follows:

Section 1: Chapter 312-5 entitled "Parking prohibited at all times" shall be amended to add restrictions for parking on Oak Avenue at the following locations:

NAME OF STREET	SIDE	LOCATION
Oak Avenue	East Side	From the corner of Pleasant Avenue and Oak Avenue to the driveway apron of 562 Oak Avenue

Section 2: The curbing of the affected areas shall be painted in yellow to indicate prohibition of parking at all times and the proper signage shall be erected.

Section 3: All ordinances of the Borough of Maywood which are inconsistent with the provisions of this ordinance are hereby repealed to the extent of such inconsistency.

Section 4: If any section, subsection, sentence, clause or phrase of this ordinance if, for any reason, held to be unconstitutional or invalid, such decision shall not affect the remaining portions of this ordinance.

Section 5: This ordinance shall take effect upon passage and publication according to law

ORDINANCE # 15-19

AN ORDINANCE AMENDING THE BOROUGH OF MAYWOOD MUNICIPAL CODE
SO AS TO REVISE CODE SECTION 312-13

BE IT ORDAINED BY THE BOROUGH COUNCIL OF THE BOROUGH OF MAYWOOD, IN THE COUNTY OF BERGEN AND STATE OF NEW JERSEY, AS FOLLOWS:

WHEREAS, Chapter 312-13 entitled "STOP INTERSECTIONS" OF THE Borough of Maywood Code provides and enumerates intersections that are controlled by a "stop sign" traffic control device.

WHEREAS, subsection "B" of Chapter 312-13 of the Borough of Maywood Code provides for and enumerates intersections that requires traffic in all directions of the intersection to come to a complete stop before proceeding .

WHEREAS, the Mayor and Council of the Borough of Maywood, on advice of the Chief of the Maywood Police Department and the Borough Engineer, wishes to amend Chapter 312-13 (B) of the Borough of Maywood Code to add an additional intersection that requires traffic in all directions of the intersection to come to a complete stop before proceeding.

NOW, THEREFORE, BE IT ORDAINED by the Mayor and Council of the Borough of Maywood, County of Bergen, State of New Jersey, as follows:

Section 1: Chapter 312-13 subsection B of the Borough of Maywood Code is amended to add an additional intersection that requires traffic in all directions of the intersection to come to a complete stop before proceeding and be subject to enforcement pursuant to local and state traffic law.

Section 2: The schedule of roadways included and contained in Chapter 312-13 (B) shall be amended by adding the following intersections to the schedule:

Intersection

1. Poplar Avenue and Taplin Avenue

Section 3: Signage

Stop signs indicating a "3 way stop" shall be affixed for North and South bound traffic on Poplar Avenue. Further, the stop sign located for the West bound traffic of Taplin shall be modified to reflect the "3 way stop".

Section 4. All ordinances or parts of ordinances which are in conflict with this ordinance or are inconsistent with any of the provisions hereof, are hereby repealed.

Section 5. This ordinance shall take effect immediately when duly published and as regulated by law.

Council Member Gervino moved for the introduction; seconded by Council President Garofalow; and so carried by the members present.

BE IT RESOLVED by the Mayor and Council of the Borough of Maywood that Ordinances #12-19, 13-19, 14-19 & 15-19, pass on first reading and that said Ordinances will be further considered for final passage at a meeting of the Mayor and Council to be held on July 23, 2019 at 7:30pm at the Borough Hall, 15 Park Avenue, Maywood, New Jersey at which time and place all persons interested therein will be given an opportunity to be heard concerning the same, and that the Borough Clerk is hereby authorized and directed to advertise the same according to law.

NEW BUSINESS

NONE

OLD BUSINESS

- Council Member Bennin spoke about the TREX program. The decision was made to move forward with the program. The program will aid the community and count towards our recycling tonnage grant. Collection boxes will be located on the first floor of the municipal building and at the Library. All plastic needs to be clean, dry and empty. When the box is full it holds approximately 6 pounds. Information regarding the program will be available on the Borough's website.
- Council President Garofalow spoke about the crosswalk by Memorial Park on Spring Valley Avenue. He asked that the borough look into putting into place a crosswalk flag program at the location.
- Council President Garofalow discussed the intersection of Spring Road and Spring Avenue to the intersection at Wyoming or Lincoln. He further discussed having a bike lane from Paramus to Hackensack. Administrator Stern stated she will speak with the Borough Engineer and explore the option, prior to a study she will have discussion with the other towns.
- Administrator Stern brought up the Maywood Market and the no left turn from the parking lot onto Palmer Avenue. Patrons continue to ignore the signs for no left turn. Due to it being private property the signage is not backed by a Borough ordinance. Further discussion regarding this location will be held at a later date.

CLOSED SESSION - IF APPLICABLE

NONE

ADJOURNMENT

Council President Garofalow made a motion to adjourn; seconded by Council Member Bennin. Motion carried by the members present. Meeting adjourned at 8:20p.m.

Respectfully Submitted;

Barbara L. Dispoto, RMC
Borough Clerk
