

CLOTHING BIN PERMIT

No person shall place, use, or employ a donation clothing bin, for solicitation purposes, within the Borough of Maywood, unless all of the following requirements are met:

The person has obtained a permit, valid for a specified period of time, from the Borough of Maywood's Certified Recycling Professional in accordance with the following:

In applying for such a permit, the person shall include:

1. Location where the bin would be situated, as precisely as possible.

2. Manner in which the person anticipates any clothing or other donations collected via the bin would be used, sold, or dispersed, and the method by which the proceeds of collected donations would be allocated or spent.

3. Name, address, telephone number and e-mail address (if available) of the bona fide office of any entity which may share or profit from any clothing or other donations collected via the bin.

4. Attach written consent from the property owner to place the bin on his property.

An application for a permit shall not be granted to place, use, or employ a donation clothing bin if the Construction Official determines that the placement of the bin could constitute a safety hazard. Such hazards shall include, but not be limited to, the placement of a donation clothing bin within 100 yards of any place which stores large amounts of, or sells, fuel or other flammable liquids or gases;

The fee for such a permit shall be \$35.00 per year.

An expiring permit for a donation clothing bin may be renewed upon application for renewal and payment of a fee of \$35.00 for such renewal.

5. The permit number and its date of expiration shall be clearly and conspicuously displayed on the exterior of the donation clothing bin, in addition to the information required pursuant to subsection c. of this section.

6. The following information shall be clearly and conspicuously displayed on the exterior of the donation clothing bin:

a. The name and address of the registered person that owns the bin, and of any other entity which may share or profit from any clothing or other donations collected via the bin;

b. The telephone number of the person's bona fide office and, if applicable, the telephone number of the bona fide office of any other entity which may share or profit from any clothing or other donations collected via the bin;

c. In cases when any entity other than the person who owns the bin may share or profit from any clothing or other donations collected via the bin, a notice, written in a clear and easily understandable manner, indicating that clothing or other donations collected via the bin, their proceeds, or both, may be shared, or given entirely to, an entity other than the person who owns the bin, and identifying all such entities which may share or profit from such donations; and

d. A statement, consistent with the information provided to the appropriate municipal agency in the most recent permit or renewal application indicating the manner in which the person anticipates any clothing or other donations collected via the bin would be used, sold, or dispersed, and the method by which the proceeds of collected donations would be allocated or spent.

7. No person shall place, use or employ a clothing bin upon any public property or right-of-way within the Borough of Maywood without the prior written consent of the Mayor and Council.

8. No person shall place, use or employ a clothing bin upon any private property within the Borough of Maywood within a designated parking space without first obtaining site plan and/or variance approval therefor from the Planning Board of the Borough of Maywood.
