

MAYWOOD RECREATION DEPARTMENT

Please remember that field usage requires a completed field permit application be submitted and approved before scheduling of practices and games on any Borough Field.

The field permit application can be found on our website: www.maywoodnj.com.

Each playing field shall have on file a specific schedule which includes all regularly scheduled practices and games including make-up games.

Tournament schedules are to be filed with certificates of insurance from participating towns.

Completed field permit application and schedules are submitted to Lisa Schieli, Recreation Director via e-mail Lschieli@maywoodboro.org. Copies of these schedules are provided to the Police and DPW.

This will allow the Borough to coordinate all of the operations associated with the activities on the schedule provided by your organization. If accurate field utilization information is not received within a reasonable time frame, there are potential legal ramifications that may adversely impact your organization as well as the Borough.

Thank you for your continued cooperation.
