ORDINANCE # 5-05

AN ORDINANCE REGULATING OUTDOOR DINING AND OTHER OBSTRUCTIONS ON, OVER, UNDER AND UPON THE PUBLIC RIGHT-OF-WAY WITHIN THE BOROUGH OF MAYWOOD AND AMENDING CHAPTER 287 OF THE CODE OF THE BOROUGH OF MAYWOOD

WHEREAS, the Borough of Maywood have received requests from various merchants and businesses along West Pleasant Avenue requesting permission to place tables and chairs for outdoor dining and for other obstructions on, over, under or upon the sidewalks and public right-of-ways within the Borough of Maywood; and

WHEREAS, rather than address each such request on an ad hoc basis, the Mayor and Council find that it would be in the best interests of the Borough of Maywood to regulate such obstructions and provide for a revocable permit therefor;

NOW, THEREFORE, BE IT ORDAINED BY THE MAYOR AND COUNCIL OF THE BOROUGH OF MAYWOOD, BERGEN COUNTY, NEW JERSEY as follows:

SECTION 1. Chapter 287 of the Code of the Borough of Maywood, relating to Streets and Sidewalks, is hereby amended to add thereto Article VII, respecting permits for obstructions, to read as follows:

“Article VII Permits for Street and Sidewalk Obstructions

287-53 Permit required

No person shall suffer or permit any obstruction or encroachment upon a public street or sidewalk or other public property or public right-of-way without first obtaining a permit therefor and the payment of the required fee therefor.

287-54 Issuance of Permits

Permits may be issued by the Building Department of the Borough of Maywood upon the approval thereof by the Mayor and Council to the owners of real property abutting the sidewalk or public right-of-way for which the obstruction or encroachment is sought. The tenant or occupant of the property may also apply for such permit provided the owner of the property consents in writing and agrees to be bound by the terms and conditions respecting the issuance of the permit.

287-55 Revocation of Permits

The permit shall be revocable by the Borough of Maywood at any time, with or without cause. Upon revocation of such permit, the Permittee shall cause the encroachment to be removed within thirty (30) days of such revocation. In the event that the Permittee fails to remove said encroachment within said time period, the Borough of Maywood shall be authorized to remove said encroachment and to charge the cost thereof to the Permittee. In addition, the Permittee shall reimburse the Borough of Maywood for all costs incurred in connection therewith, including costs of suit and reasonable attorneys fees to enforce the provisions hereof. In addition, the Borough of Maywood may charge such costs against the real property of the owner and collect same in the same manner as real estate taxes. Unless sooner revoked, permits issued hereunder shall take effect upon issuance but no earlier than May 1st of the year in which they were issued and shall expire no later than October 25th of the year in which they were issued.

287-56 Insurance

The Permittee shall furnish to the Borough of Maywood a certificate of insurance, naming the Borough of Maywood as an additional insured, in an amount not less than \$1 million and containing a provision whereby such insurance policy shall not be canceled unless and until the Borough of Maywood receives written notice thereof at least thirty (30) days prior to such cancellation. In the event such insurance shall be terminated or lapse for any reason, the Permittee shall immediately remove said encroachment unless, prior to such termination or lapse, a substitute insurance certificate is furnished to the Borough of Maywood.

287-57 Indemnification

The Permittee shall indemnify and hold harmless the Borough of Maywood, its officers, agents and employees, from any and all claims for damages or liability in any way arising from the grant of the within permit or by reason of such encroachment, including, but not necessarily limited to, the cost of defending any such action for damages, including reasonable attorneys fees.

287-58 Limitations

- a. No permit shall be issued for any obstruction or encroachment which interferes with the free flow of pedestrian and vehicular traffic.
- b. No permit shall be issued unless there is a free and unobstructed sidewalk area of five (5) feet within commercially zoned areas and four (4) feet within residentially zoned areas.
- c. No permit shall be issued for an overhang or awning unless there is at least a ten (10) foot clearance between the surface of the sidewalk and the lowest point of the overhang or awning.

287-59 Outdoor dining

- a. Any permit allowing for outdoor dining shall require that the tables and chairs placed upon the sidewalk or public-right of way be removed and stored nightly at a location other than the public right-of-way.

- b. In addition to complying with the terms of the permit, any outdoor dining shall obtain the necessary approvals from the Board of Health.
- c. The permittee shall not suffer or permit any litter, garbage or refuse to collect upon the public right-of-way

287-60 Application

Any person requesting a permit shall submit an application therefor setting forth the following information:
