

Veterans Day Press Release

Each year on the Sunday before Veterans Day, the Bergen County Historical Society conducts a wreath laying ceremony at a local war memorial or military site to honor those who have served in the armed forces and to raise the public's awareness of these memorials throughout the county. This year, the 75th anniversary of the end of World War II, the Historical Society has chosen the WWII Memorial in Maywood, located along the Grant Ave. side of Memorial Park (near the corner of Grant Avenue & Fairmont) for this honor. The public is invited to join BCHS members on Sunday, November 8, at 1:00pm, for a brief ceremony at the wreath laying and share the name of their ancestor/friend, if they wish, who served in World War II. Parking along Grant Avenue is permitted. *Please note that attendees are required to wear face masks and maintain social distancing.* * Subject to change, for updates, visit our website, bergencountyhistory.org.
